An Exciting Trio for Haus

Haus Marketing and Distribution is thrilled to have bagged three awards at The Excellence in Housewares Awards 2019.

The event took place on Wednesday 2nd October at The Royal Lancaster London, where a light was shone on businesses and brands as recognition for their passion and dedication to housewares in the UK.

The team at Haus had great success on the night as they scooped a trio of awards including The Plugged-In Award: *Veritable Smart Arctic White Indoor Garden*, Innovation in Product Award: *Veritable CONNECT Garden* and the esteemed Icon Award: *Wüsthof Classic Knives*.

Paul Shelley, Managing Director at Haus Marketing and Distribution Limited, said: “This is an exciting achievement for our team and the brands that we represent. I am passionate about all our products, so to see them recognised by the prestigious Excellence in Housewares Awards is a very proud moment for us.

“We had an amazing evening, made extra special by bringing home three awards to showcase. Well done to all of the winners and finalists.”

Nicolas Gehin, CEO for *Veritable*, added: “On behalf of my team and our Distribution Partner, Haus, I am very proud to receive two awards for our brand. *Veritable* is focused on delivering outstanding, innovative and ergonomic indoor gardens for the kitchen. Launching the *Veritable* smart indoor

garden required almost three years of research and development and four international patents. We are honored to be rewarded by our fellow experts. More than ever, we are excited to empower the UK in enhancing their everyday meals with fresh, home grown and healthy herbs, greens or vegetables.”

Haus Marketing and Distribution Limited was also a finalist in the below 2019 categories:

Excellence in Cookware Award - Emile Henry Delight Braiser

Cutting Edge Award - Wüsthof Epicure 20cm Cooks Knife

Innovation in Product Award - Emile Henry Delight Casserole

Ends

Issued: Friday 4th October 2019
